

Capstone Sections and Prerequisites 2011-2012

In 2011-2012, the following Capstone sections are being offered. To be eligible, all students must have declared their specialization, completed PER (if required), passed the SPSS exam (required for students who waived 1011), and earned at least a 3.0 cumulative GPA. Additional prerequisites are listed below for each Capstone section. If you have not completed the prerequisites but intend to take Capstone next year, you should consult with your program's administrator.
