

# Public Policy Major Core Curriculum

## Analytical Approaches and Methods Courses

### Notes:

1. Students must choose two courses under guidance of adviser and can take no more than one course from each analytical approach.
2. Some courses below have prerequisites that must be fulfilled.
3. No course can replicate a course taught in the core.
4. Courses not on this list may count: please contact [wagner.undergraduate@nyu.edu](mailto:wagner.undergraduate@nyu.edu) to inquire
