

PASS THE MEASURING AMERICAN POVERTY ACT OF 2009

**Help access need and
measure progress**

**The current poverty
measure was last
updated in the 1960s-
almost 50 years ago**

**We can't fix a problem
if we don't know
what's broken**

**America deserves a more
accurate measure of individual
and family well-being**

Real data for real solutions to end poverty in the U.S.

PASS THE MEASURING AMERICAN POVERTY ACT OF 2009

Stamp
Here

Dear Representative,

As a constituent, I urge you to support the Measuring American Poverty Act of 2009. It is the tool we need to accurately measure individual and family well-being in the U.S. and help us achieve our aim of cutting poverty in half over the next ten years.

Sincerely,
