About NYU Wagner

NYU Wagner prepares public service leaders to translate ideas into actions that have an effective and lasting impact. We give students critical analytic skills and frameworks, take full advantage of the connections and opportunities within New York City, and ensure students understand the distinct contexts in which they’re working. Ranked sixth nationally among all schools of public affairs, NYU Wagner has been teaching rigorous methods of management, policy, and planning for over 75 years. We offer Master of Public Administration, Master of Urban Planning, Executive Master of Public Administration, and Doctor of Philosophy degree programs.
**SALARY INCREASES**

Students from every degree program earned more money after graduating, with average increases from 34%-58%.

**ANNUAL SALARY**

Graduates’ average salaries range from $64,000-$83,000 annually.
