Abdul Latif Jameel Poverty Action Lab (J-PAL) (Table 40)  F,I,NI,NF

The Abdul Latif Jameel Poverty Action Lab (J-PAL) serves as a focal point for development and poverty research based on randomized trials. The objective is to improve the effectiveness of poverty programs by providing policy makers with clear scientific results that help shape successful policies to combat poverty. J-PAL works with NGOs, international organizations, and others to evaluate programs and disseminate the results of high quality research. They work on issues as diverse as boosting girls’ attendance at school, improving the output of farmers in sub-Saharan Africa, racial bias in employment in the US, and the role of women political leaders in India.

Center for Education Policy Research, Strategic Data Project (Table 36)  F,L,NF

Housed at the Center for Education Policy Research at Harvard University, the Strategic Data Project (SDP) partners with school districts, charter school networks, and state education agencies to bring high quality research methods and data analysis to bear on strategic management and policy decisions. The organization believes that (1) policy and management decisions directly influence schools’ and teachers’ ability to improve student achievement; and (2) valid and reliable data analysis significantly improves the quality of decision-making. SDP believes that if we are able to bring together the right people, the right data, and the right analysis, then significantly better decision-making – as measured by student outcomes – will occur.

Available Position(s): Strategic Data Project Fellowship, Special Projects and Events Coordinator

http://www.gse.harvard.edu/sdp
Clinton Foundation (Table 46) I,L,NI,NF

Building on a lifetime of public service, President Clinton established the William J. Clinton Foundation to bring people together to take on the biggest challenges of the 21st century. Throughout the Foundation’s history and growth, Secretary Clinton and Chelsea offered their voice, vision, and counsel. To recognize their past contributions and acknowledge their role in shaping the Foundation’s future, the Foundation was renamed the Bill, Hillary & Chelsea Clinton Foundation (Clinton Foundation). To accomplish its goals, the Clinton Foundation has established separate initiatives, each with a distinct mission but all reflecting the Clintons’ vision: to implement sustainable programs that improve access worldwide to investment, opportunity, and lifesaving services now and for future generations. Working in diverse geographic regions and responding to local needs, the initiatives address targeted challenges in the Foundation’s key areas of focus: economic development, climate change, global health, and health and wellness.

WXY Architecture & Urban Design  (Table 17)  F,I,NI

WXY Architecture + Urban Design is a design and planning firm based in New York City. Focused on social and environmental transformation of the public realm at multiple scales, the firm's work engages both regional planning and site-specific design. WXY’s planning work engages local communities and high-level constituencies while building on new analytical GIS and data-based technologies, web-enhanced public forums, and economic development concerns. The results have included the creative envisioning of new public spaces, community facilities and urban revitalization efforts. The firm’s commissions are in collaboration with community-based organizations, public entities, and private clients as well as engineers and landscape architects.

Available Position(s): Junior Urban Planner

YWCA of the City of New York  (Table 64)  F,I,NI,NF

The YWCA of the City of New York is dedicated to eliminating racism, empowering women and promoting peace, justice, freedom and dignity for all. The YWCA empowers women for success and leadership in their lives, jobs, and communities through job training and support services, educational childcare, and after-school programs. To support and implement these resources, the organization partners with businesses, government agencies and other not-for-profits, and advocates on behalf of the clients it serves.
