

Terms & Conditions

The NYU Wagner Office of Career Services (OCS) acts as an intermediary between employers posting career opportunities and candidates searching for career opportunities. Because user authentication on the Internet is difficult, OCS cannot and does not guarantee the quality, safety or legality of the jobs or jobseeker applications posted; the truth or accuracy of posted positions; the ability of employers to offer career opportunities to candidates; or the ability of candidates to fill openings.

By using any OCS resource, you release OCS and New York University (and our agents and employees) from claims, demands, and damages (actual and consequential, direct and indirect of every kind and nature, known and unknown), arising out of or connected to any dispute you may have with one or more users of an OCS resource.

By applying to a position or registering for an event through OCS or the Career Directory, you also authorize OCS to select and submit your application materials to selected employers. OCS will not submit your application materials to an employer without such authorization.
