Center for Education Policy Research, Strategic Data Project (Table 66) F, L

Housed at the Center for Education Policy Research at Harvard University, the Strategic Data Project (SDP) partners with school districts, charter school networks, and state education agencies to bring high quality research methods and data analysis to bear on strategic management and policy decisions. The organization believes that (1) policy and management decisions directly influence schools’ and teachers’ ability to improve student achievement; and (2) valid and reliable data analysis significantly improves the quality of decision-making. SDP believes that if we are able to bring together the right people, the right data, and the right analysis, then significantly better decision-making – as measured by student outcomes – will occur.

Available Position(s): Data Strategist, Strategic Data Project Fellow 2017
http://www.gse.harvard.edu/sdp

Children’s Aid Society (Table 10) I, V, N

The Children’s Aid Society, founded in 1853, serves more than 150,000 children and their families each year, often helping them overcome tremendous odds. Its network of more than 100 cutting-edge programs and services provided at over 40 sites in and around New York City supplies a full spectrum of support. The organization’s nationally recognized programs are models of social service practice and have impacted national child welfare policy.

Community Health Advocates (Table 2) I, N

Community Health Advocates (CHA), a program of the Community Service Society, provides free and confidential individual counseling and educational community presentations to individuals, families, advocates and providers about health insurance in New York State. The program’s network of community-based organizations and small business serving groups help New Yorkers access the health care they need, understand their health insurance options, and how the health care system works. The Community Health Advocates program offers a compelling model for helping consumers navigate changes in the health care system. As health reform continues to evolve, Community Health Advocates monitors changes, providing expert assistance to individuals and service providers alike in order to ensure that everyone can access affordable, quality health care.

Available Position(s): Summer Intern
http://www.communityhealthadvocates.org
Community Resource Exchange (CRE) (Table 13) F, I, N

For over 30 years, Community Resource Exchange (CRE) has worked to create a more just, equitable and livable city for all New Yorkers. The organization provides strategic advice and technical services every year to more than 300 community-based nonprofit organizations confronting social issues such as poverty and HIV/AIDS in low and moderate income neighborhoods. As one of the most established nonprofit management consulting providers of its kind, CRE provides its clients with information, guidance, resources for nonprofits, skill building and leadership training for Community Based Organizations to make New York City stronger - one community group at a time.
