Abdul Latif Jameel Poverty Action Lab (J-PAL)  F

The Abdul Latif Jameel Poverty Action Lab (J-PAL) serves as a focal point for development and poverty research based on randomized trials. The objective is to improve the effectiveness of poverty programs by providing policy makers with clear scientific results that help shape successful policies to combat poverty. J-PAL works with NGOs, international organizations, and others to evaluate programs and disseminate the results of high quality research. They work on issues as diverse as boosting girls’ attendance at school, improving the output of farmers in sub-Saharan Africa, racial bias in employment in the US, and the role of women political leaders in India.

Breast Treatment Task Force (BTTF)  F, P, I

The Breast Treatment Task Force (BTTF) is a grassroots organization committed to providing free breast education, screening, diagnostic follow-up, and treatment to low-income patients without access to health insurance in New York City. The costs of diagnostic follow-up services and treatments are extensive, often preventing low-income patients from obtaining the necessary treatment, or leaving them struggling with large medical debt. BTTF eliminates medical financial strains by offering the full range of breast care free of charge to uninsured patients. The organization believes that all individuals should have access to breast cancer screening, diagnostic follow-up and treatment, regardless of age, race, financial status, and accessibility to health insurance.

Available Position(s): Associate Director; Associate

BTQ Financial  F

BTQ Financial is a New York based financial management company that offers outsourced finance and accounting services to nonprofit organizations. The organization's social and business mission is to positively transform the huge, important, and expanding nonprofit sector by providing a viable, cost effective, and permanent solution to the expensive and challenging operation of fiscal departments. The non-profit challenge is to improve business management without sacrificing the social mission. The BTQ model provides a solution to this challenge. BTQ Financial believes that a shift in the paradigm for fiscal and accounting services - from an in-house staffing model to a smart, cost effective, and high-quality outsourced (FAO) model - will be of greater benefit to the nonprofit sector.

Available Position(s): Nonprofit Financial Analyst

Catholic Charities Archdiocese of New York  F, P, I, V, T

Long before most government safety nets began, lay men and women, clergy and nuns stepped in to serve those in need. At first they worked alone. Later, these groups drew strength by standing together, incorporating The Catholic Charities Archdiocese of New York by a Special Act of the New York State Legislature in 1917. Today they represent a federation of more than 90 agencies, providing help and hope for hundreds of thousands of New Yorkers, non-Catholics and Catholics alike.

NYC Office of Management & Budget (OMB)  F, I, V, T

The Mayor’s Office of Management and Budget (OMB) is the City government’s chief financial agency. OMB’s staff of more than 350 analysts and experts assembles and oversees both the expense budget and capital budget. The City of New York funds the activities of approximately 70 agencies with more than 300,000 full-time and full-time equivalent employees. In addition, OMB plays many other important roles. Among these, the agency is charged with evaluating the efficiency and cost-effectiveness of City services and proposals. OMB’s economists provide vital information to government officials on the local, United States and world economies. The agency also helps implement the City’s borrowing and bond programs and conducts legal reviews of capital projects for financing with bond proceeds.
