

## Curriculum Vitae

Brian Elbel, PhD, MPH

### Contact Information

Office address: 180 Madison Avenue, 3<sup>rd</sup> Fl, New York, NY 10016

Work phone: 212-263-4283

Work email [brian.elbel@nyulangone.org](mailto:brian.elbel@nyulangone.org)

Other e-mail: [brian.elbel@nyu.edu](mailto:brian.elbel@nyu.edu)

Web page: <https://med.nyu.edu/faculty/brian-d-elbel>

### Current Appointments and Leadership Positions

#### Faculty Appointment

09/2019 Professor of Population Health and Health Policy, Department of Population Health, New York University Grossman School of Medicine and Robert F. Wagner Graduate School of Public Service (with Tenure)

#### Administrative Leadership Positions

09/2019 Associate Dean, Research Mission Strategy and Administration, NYU Langone Health  
07/2012 Director, Section on Health Choice, Policy and Evaluation,  
Department of Population Health, New York University Grossman School of Medicine

### Education and Training

Year	Degree	Field	Institution	Location
2001	BA	Humanities	The University of Texas at Austin	Austin, TX
2003	MPH	Health Policy and Administration	Yale University School of Public Health	New Haven, CT
2007	Ph.D.	Health Policy/ Health Economics	Yale University Graduate School and Yale School of Public Health	New Haven, CT

### Previous Appointments and Leadership Positions

#### Faculty Academic Appointments

07/2016 – 9/2019 Tenured\* Associate Professor of Population Health and Health Policy, Department of Population Health, New York University Grossman School of Medicine and Robert F. Wagner Graduate School of Public Service \*Tenure awarded concurrently by both schools

07/2013 – 07/2016 Associate Professor of Population Health and Health Policy,  
Department of Population Health, New York University Grossman School of Medicine and Robert F. Wagner Graduate School of Public Service

09/2007 – 07/2013 Assistant Professor of Population Health, Medicine and Health Policy, Division of General Internal Medicine, Department of Medicine, New York University Grossman School of Medicine (in 2012, primary appointment transferred to Department of Population Health) and Robert F. Wagner Graduate School of Public Service

## **Administrative Leadership Positions**

07/2016 – 03/2021	Founding Director, Comprehensive Program on Obesity, NYU Langone Health
07/2017 – 09/2019	Assistant Dean, Strategic Initiatives, Office of Science and Research, NYU Langone Health
07/2011–07/2014	Director of Doctoral Studies, NYU Wagner School of Public Service
07/2015–07/2016	Director of Doctoral Studies, NYU Wagner School of Public Service
2002	Fellow, United States Senate Committee on Finance

## **Awards, Honors, and Memberships in Honorary Societies**

2002	Washington Internship on Social Insurance (Declined), National Academy of Social Insurance
2002	Weinerman Memorial Fellowship, Yale University
2008	Best Abstract Award, AcademyHealth 2008 Annual Research Meeting for “Is More Better? An Experimental Analysis of Consumer Choice.”
2009	Best Abstract Award, AcademyHealth 2009 Annual Research Meeting for “The Role of Cognition in Choice: The Case of Medicare.”
2009	Best Abstract Award, AcademyHealth 2009 Annual Research Meeting for “The Influence of Calorie Labeling on Food Choice.”
2009-2011, Renewal 2011, 2013	NIH Health Disparities Loan Repayment Program Award, National Center on Minority Health and Health Disparities
2010	Publication of the Month, NYU Grossman School of Medicine, Department of Medicine, for “Calorie Labeling and Food Choices: A First Look at the Effects on Low-Income People in New York City. Health Affairs 28(6): w1110-21.”
2013	Paper “Calorie Labeling, Fast Food Purchasing and Restaurant Visits” selected for keynote presentation at the first annual Obesity symposium, Obesity Week 2013, Atlanta, Georgia
2014	Top reviewer for 2014, American Journal of Preventive Medicine
2015	NYULMC Intensive Leadership Development Program, year-long program with participation chosen by the Dean’s office
2017	Spotlight Health Scholar, Aspen Ideas Festival
2018	Higher Ambition Leadership Institute (HALI) Executive Education, year-long executive development program with participants chosen by the Dean’s office
New York University	
2007 – 2010	Population Health Steering Committee, NYU Grossman School of Medicine
2008, 2012	Selection Committee, NYU Postdoctoral and Transition Program for Academic Diversity
2008 – 2009	Health Management Faculty Search Committee, NYU Wagner
2009 – Present	Affiliated Faculty, Economics, NYU Abu Dhabi
2009 – Present	NYU Wagner Doctoral Board
2009 – Present	Prevention Research Center Advisory Board, NYU Grossman School of Medicine
2010 – Present	Affiliated Faculty, NYU Cancer Institute
2010 – Present	Affiliated Faculty, NYU Institute for Education and Social Policy
2010 – Present	Affiliated Faculty, NYU Institute for Human Development and Social Change
2010 – Present	Community Engagement and Population Health Research Steering Committee, Clinical Translation Science Institute, NYU Grossman School of Medicine
2010 – 2014	Doctoral Planning Committee, NYU Global Institute of Public Health
2010 – 2014	Research Planning Committee, NYU Global Institute of Public Health
2011 – Present	Research Conflicts of Interest Committee, NYU Grossman School of Medicine
2012 – 2014	Recruitment Committee, NYU Grossman School of Medicine, Department of Population Health
2012 – 2013	Healthcare Innovations and Health Outcomes Recruitment Committee, NYU Grossman School of Medicine, Department of Population Health
2012 – 2014	Strategic Planning Committee, NYU Grossman School of Medicine, Department of Population Health
2012 – Present	Executive Committee, NYU Grossman School of Medicine, Department of Population Health
2013	Department of Environmental Medicine Review Committee, NYU Grossman School of Medicine
2014 – 2017	Health Policy and Management Committee, NYU College of Global Public Health

**Research Activity**

**Research Activities**

Major Research Interests include:

1. Obesity policy, health policy.
2. Evaluation of public policies
3. Individual decision making as it influences health, at the intersection of behavioral economics and public policy.
4. Health of vulnerable populations; health disparities

**Grant History**

Grants and Clinical Trials

Current

## Education Activity

My teaching has included:

1. At NYU Grossman School of Medicine, development and teaching of prior core medical school interclerkship intensives on nutrition and obesity

2. At NYU Wagner, health economics, obesity policy and the Doctoral Colloquium, in addition to multiple guest lectures.
3. At NYU Grossman School of Medicine, Neighborhood Food Project and lecture for Diabetes Pillar in the Practice of Medicine Course.

## Teaching Activities

2016 - Present	NYU Department of Population Health Health: Neighborhoods and Health, as part of the Practice of Medicine module for first year medical students at NYU Grossman School of Medicine.
2017 – Present	Doctoral Research Colloquium, NYU Wagner Graduate School of Public Service
2015 - Present	Neighborhood Food Project and lecture for Diabetes Pillar in the Practice of Medicine Course, NYU Grossman School of Medicine
2015, 2016	Development and implementation of the Interclerkship Intensive I: Nutrition, Addiction and Behavioral Change
2014 – 2017	Obesity Policy Research, NYU Wagner Graduate School of Public Service, half semester course taught to Graduate Students
2014 – 2017	Topics in Obesity Policy Research, NYU Wagner Graduate School of Public Service, half semester course taught to Undergraduate Students
2014	Lecture on food politics, NYU Wagner Graduate School of Public Service Food Politics course
2013	Lecture on behavioral economics, NYU Undergraduate Public Health Program
2013, 2014	Lecture to NYU Doctoral Research Methods Class
2011 – 2013	Lecture on consumer behavior and behavioral economics, NYU Wagner Domestic Health Economics Class
2012 – 2016	Lecture on obesity policy, NYU Grossman School of Medicine Interclerkship Intensive
2012, 2014 – 2016	Lecture on health policy, NYU Grossman School of Medicine Selective
2008 – 2011	Health Economics and Payment Systems, NYU Wagner Graduate School of Public Service, semester-long course taught yearly to Masters Students
2007 – Present	Guest Lectures to Various School of Medicine and other NYU Courses/Groups, including: Primary Care Residency Program, Current Issues in Health Policy Course, Public Health Nutrition Course, Population Health Selective, and Interclerkship Intensive
2005, 2006	Microeconomics, Yale School of Public Health, Teaching Fellow for Masters-Level Course
2006	Health Policy and Health Systems, Yale School of Public Health, Co-Instructed with Professor Howard Forman
2004	Decision Making and Cost Effectiveness, Yale School of Public Health, Teaching Fellow for Masters-Level Course
2003, 2004	Methods in Health Services Research, Yale School of Public Health, Teaching Fellow for Masters-Level Course
2002, 2003	Health Policy and Health Systems, Yale School of Public Health, Teaching Fellow for Masters-Level Course

## Curriculum development and other innovative educational activities

2014	Deveopment of Obesity Policy Course, NYU Wagner
2012 – 2016	Lecture on obesity policy, NYU Grossman School of Medicine Interclerkship Intensive
2012, 2014 – 2016	Lecture on health policy, NYU Grossman School of Medicine Selective
2007 – Present	Guest Lectures to Various School of Medicine and other NYU Courses/Groups, including: Primary Care Residency Program, Current Issues in Health Policy Course, Public Health Nutrition Course, Population Health Selective, and Interclerkship Intensive

## Invited Talks and Teaching of Peers

### Internal

Sponsored by NYU Langone Health

2021 | Invited speaker at NYU Grossman School of Medicine Department of Population Health Grand Rounds | “An Evolution of Obesity Policy Analysis: A Story in Two Interwoven Parts” | New York, NY

2021 | Invited speaker at NYU Wagner Graduate School of Public Service Applied Quantitative Research (AQR) Proseminar | “An Evolution of Obesity Policy Analysis: A Story in Two Interwoven Parts” | New York, NY

2017 | Invited Speaker at the NYU Perlmutter Cancer Center Faculty Lunch Seminar Series | “The Role of Policy and the Environment on Obesity” | New York, NY

2016 | Panel Moderator at NYU Department of Population Health Health And... Conference | “Health and Healthcare” | New York, NY

2015 | Invited Speaker at the NYU Department of Population Health Research Seminar Series | “The Food Environment in New York City: Demographic Characteristics and Proximity to Food Outlets.” | New York, NY

2015 | Invited Panelist at the NYU Langone Medical Center Health Disparities Symposium | “Sodium Labeling: Reducing Disparities or Increasing the Nanny State?” | New York, NY

2015 | Invited Panelist at NYU School of Medicine Department of Population Health Symposium: Controversies in Population Health | “The Price of Healthcare: Why So Much Variability and So Little Transparency?” | New York, NY

2015 | Invited Speaker at NYU Global Institute of Public Health Doctoral Research Colloquium | “Do New Tax-Incentivized Supermarkets Impact Food Choice in “Food Deserts”?” | New York, NY

2015 | Invited Speaker at the NYU Urban Seminar Series | “Do New Tax-Incentivized Supermarkets Impact Food Choice in “Food Deserts”?” | New York, NY

2014 | Invited Speaker at NYU Institute for Human Development and Social Change Conference on Context and Health | “Calorie Labeling, Fast Food Purchasing, and Restaurant Visits.”

2014 | Invited Speaker at NYU Grossman School of Medicine Division of General Internal Medicine Grand Rounds | “Promotion of Healthy Eating through Public Policy: A Controlled Experiment.” | New York, NY

2014 | Invited Panelist at NYU Grossman School of Medicine Department of Population Health Symposium: Controversies in Population Health | “Medical Parsimony for Patients and Populations: Whose Advocate Should the Doctor Be?” | New York, NY

2014 | Invited Speaker at NYU Topics in Public Service Seminar Series | “Behavioral Economics and Public Policy.”

2010 | Invited Presentation at “Obesity: Food, Brain and Politics”, NYU Grossman School of Medicine CME Course | “Obesity: The Role and Promise of Public Policy.” | New York, NY

2009 | NYU Grossman School of Medicine | “The Influence of Calorie Labeling on Food Choice.” | New York, NY

2008 | NYU Grossman School of Medicine, Division of General Internal Medicine Grand Rounds | “How We Make Decisions: Understanding the Infrastructure of Choice.”

2008 | NYU Wagner Graduate School of Public Service “Is More Better? An Experimental Analysis of Consumer Choice.” | New York, NY

2007 | NYU Grossman School of Medicine | “How Much Choice? Nonlinear Relationships Between the Number of Health Plan Options and the Behavior of Medicare Beneficiaries.”

### [External to NYU Langone Health and all other NYU schools](#)

#### Invited Testimony

New York City Council, Committee on Health, Hearing RE: Int. No. 442 – In relation to setting nutritional standards for distributing incentive items aimed at children. January 26, 2016.

New York City Department of Health and Mental Hygiene, Hearing RE: Proposed amendment of Health Code Article 81 Serving Sizes in Food Service Establishments. July 24, 2012.

U.S. Department of Labor, 151<sup>st</sup> Meeting of the Advisory Council on Employee Welfare and Pension Benefit Plans. July 1, 2010.

### Invited Presentations

2022 | Invited Speaker Copenhagen | “Obesity policy” | Copenhagen, Denmark

2021 | Invited Speaker at Albert Einstein College of Medicine-Montefiore Medical Center, Center for Diabetes Translation Research | “An Evolution of Obesity Policy Analysis: A Story in Two Interwoven Parts” | New York, NY

2019 | Invited Speaker at the Asia-Pacific Economic Cooperation Chile (APEC) 2019 Conference | “Public policies proposed or implemented by the United States to prevent obesity. How effective can they be?” | Santiago, Chile

2018 | Invited Speaker at Obesity Week 2018 | “Childhood Obesity and the Food Environment: A Population-Based Sample of Public School Students in New York City” | Nashville, TN

2017 | Invited Speaker at Baruch College Marxe School of Public and International Affairs Seminar Series | “The Role of the Food Environment on Childhood Obesity” | New York, NY

2017 | Invited Keynote at International Association for Population Health Science | “Food Environment and Population Health”

2017 | Invited Speaker at the New York State Health Foundation Learning Collaborative Meeting | “Evaluating Community Initiatives” | New York, NY

2017 | Invited Speaker at the New York State Health Foundation Community Advisory Committee Meeting | “NYU Grossman School of Medicine Healthy Neighborhood Fund Evaluation” | New York, NY

2017 | Invited Speaker at New York City Department of Health and Mental Hygiene | “Impacts on Child BMI: School Food Policy, Food Environment, and Built Environment” | New York, NY

2017 | Invited Speaker at Wake Forest University | “The Role of Policy and the Environment on Obesity” | Winston-Salem, NC

2017 | Invited Speaker at Endocrine Society Annual Meeting | “Obesity: What Policies Address it and How Well Do They Work?”

2017 | Invited Speaker at the New York State Health Foundation Board Meeting | “NYU Grossman School of Medicine Healthy Neighborhood Fund Evaluation” | New York, NY

2017 | Invited Keynote Speaker at American Heart Association’s Cardiovascular Epidemiology/Prevention and Lifestyle Councils Annual Conference | “The Role of Policy and the Environment on Obesity”

2017 | Invited Speaker at Georgia Center for Diabetes Translation Research Kick Off at Rollins School of Public Health, Emory University | “The Role of Policy and the Environment on Obesity” | Atlanta, GA

2017 | Invited Speaker at Columbia University Naomi Berrie Diabetes Center DeWitt Goodman Seminar Series | “The Role of Policy and the Environment on Obesity” | New York, NY

2016 | Invited Speaker at Obesity Week, the Obesity Society | “Disparities in Food Access Around Home and School among Public School Students in New York City” | New York, NY

2015 | Invited Speaker at Obesity Week, the Obesity Society | “Menu Labeling Studies: What to Make of the Mix?”

2015 | Invited Speaker at the Health Affairs Food & Health Briefing | “Five Years Later: Awareness of New York City’s Calorie Labels Declined, with No Changes in Calories Purchased” | New York, NY

2015 | Invited Speaker at the New York State Council on Food Policy Annual Summer Meeting | “Describing and Understanding the Food Environment in New York City.” New York, NY

2015 | Invited Panelist at World Science Festival “Scientific Kitchen: Hard to Swallow.”

2015 | Invited Speaker at New York City Department of Health and Mental Hygiene | “Describing and Understanding the Food Environment in New York City.” | New York, NY

2015 | Invited Speaker at University of Chicago Health Economics Seminar | “Do New Tax-Incentivized Supermarkets Impact Food Choice in “Food Deserts”?” | Chicago, IL

2015 | Invited Speaker at Cornell University, Department of Healthcare Policy and Research | “Obesity and Public Policy.” | Ithaca, NY

2014 | Invited Panelist at Fresh Food Retail Summit: Food Environment Research, Trends and Evaluation Panel  
“The Business of Selling Healthy Foods: Perspectives from Around the Table.”

2014 | Invited Speaker at Obesity Week, the Obesity Society | “Evaluation of New York City Obesity Policies: Large Volume Drink Ban and Supermarket Tax Credits.” | New York, NY

2014 | Invited Panelist at The New York Academy of Sciences Workshop | “Prevention of chronic disease in the United States and the role of health technologies: Reviewing the evidence and perceived barriers in order to identify innovative solution”  
“Personalization of Solutions and the Built Environment.”

2014 | Invited Speaker at American Diabetes Association 74<sup>th</sup> Annual Scientific Sessions | “Impact of Displaying Calories.”

2014 | Keynote Speaker at Wake Forest Journal of Law & Policy Food & Law Symposium | “Wake Forest Journal of Law & Policy Keynote Address.” | Winston-Salem, NC

2012 | Invited Speaker at University of Alabama NIH Nutrition and Obesity Research Center “Using Tax Credits to Introduce Supermarkets in Low-Income Areas: The Influence on Healthy Eating.”

2012 | Invited Speaker at CDC Expert Panel on Drinking Water Access in Schools and Childcare | “Evaluating Water Interventions.”

2011 | Invited Speaker at Cornell University, Division of Nutritional Sciences | “Updates on Calorie Labeling and Food Choice: Evidence from New York City and Philadelphia.”

2011 | Invited Speaker at American Academy of Family Physicians Event | “Behavioral Economics Roundtable on Diabetes.”

2011 | Invited Speaker to Health Canada Think Tank, “Provision of Nutrition Information in Restaurants and Foodservices” | “Current State of Calorie Labeling Research”

2011 | Invited Speaker at The University of Pennsylvania, Leonard Davis Institute of Health Economics | “Obesity, Calorie Labeling, and Behavioral Economics.” | Philadelphia, PA

2011 | Invited Speaker at “What Must New York Do Now to Prevent Obesity” at New York Academy of Medicine  
| “Obesity and Nutrition in New York.” | New York, NY

2010 | Invited Speaker at Annual Meeting of Eastern Vascular Society | “The Effects of Health Care Reform: The Role of Comparative Effectiveness Research.”

2010 | Invited Presentation to the National Institutes of Health Nutrition Coordinating Committee | “Calorie Labeling and Obesity Policy: The State of the Research.”

2010 | Invited Speaker at Department of Medicine Grand Rounds, Columbia University, College of Physicians and Surgeons | “Obesity and Public Policy: The Role of Calorie Labeling and the Promise of Public Policy.” | New York, NY

2010 | Invited Panelist to Brookdale Center on Aging Faculty Fellow Lecture Series, CUNY/Hunter | “Neighborhoods and Health in Later Life.”

2010 | Invited Speaker at Eat Smart, Move More 2010 Annual Summit of the Rhode Island Department of Health | “Helping Consumers Make Healthier Choices.”

2009 | Invited Speaker at Pennsylvania State University | “The Role of Cognition in Choice: The Case of Medicare.”

2009 | Columbia School of Public Health | “The Influence of Calorie Labeling on Food Choice.” | New York, NY

2009 | Mt. Sinai Department of Health Policy | “The Influence of Calorie Labeling on Food Choice.” | New York, NY

2007 | Yale University “How Much Choice? Nonlinear Relationships Between the Number of Health Plan Options and the Behavior of Medicare Beneficiaries.” | New Haven, CT

2007 | University of Pittsburgh | “How Much Choice? Nonlinear Relationships Between the Number of Health Plan Options and the Behavior of Medicare Beneficiaries.”

2007 | Johns Hopkins University | “How Much Choice? Nonlinear Relationships Between the Number of Health Plan Options and the Behavior of Medicare Beneficiaries.”

2006 | University of Wisconsin-Madison | “How Much Choice? Nonlinear Relationships Between the Number of Health Plan Options and the Behavior of Medicare Beneficiaries.”

2006 | RAND | “How Much Choice? Nonlinear Relationships Between the Number of Health Plan Options and the Behavior of Medicare Beneficiaries.”

2006 | University of Illinois-Chicago | “How Much Choice? Nonlinear Relationships Between the Number of Health Plan Options and the Behavior of Medicare Beneficiaries.”

2006 | Yale University | “Experience Goods and Expectational Traps: Bounded Rationality and Consumer Behavior in Markets for Medical Care.”

2004 | Yale University | “A Realistic View of Health Plan Consumerism: The Prospects for Consumer Empowerment.”

## **Mentoring and Advising**

### [Predoctoral students supervised and/or mentored](#)

Eric G. Zhou (2019 - )	PhD student, NYU Wagner
Neha Sathe (2010)	Undergraduate Health Economics Honors Advisor Current position: Resident, NYU Grossman School of Medicine
Jonathan Cantor (2011 – 2017)	PhD Student, Primary Advisor; NYU Wagner Current position: Health Policy Researcher, RAND
Andrew Breck (2012 – 2018)	PhD Student, Primary Advisor; NYU Wagner Current position: Senior Researcher, Insight Policy Research
Benjamin Spoer (2015 – 2019)	Current position: Manager of Metrics and Analytics, City Health Dashboard NYU Grossman School of Medicine
Stephanie Rettig (2016 – 2017)	MPH Student, Thesis Advisor; NYU Public Health Current position: Research Associate, NYU Grossman School of Medicine
In advisory function (thesis or mentorship committee)	
Iris Lin (2010 – 2012)	PhD Student, Dissertation Committee Co-Chair Current Position: Senior Manager, Boston Health Economics
Maya Vadiveloo (2011 – 2013)	PhD Student, AHA Predoctoral Fellowship Advisor & Dissertation Committee Member Current Position: Assistant Professor, University of Rhode Island
Melissa Pflugh-Prescott (2014 – 2015)	PhD Student, NYU Steinhardt: Dissertation Committee Member Current Position: Assistant Professor of School/Childhood Foods and Nutrition, University of Illinois
Stephanie Rogus (2014 – 2017)	PhD Student, NYU Steinhardt: Comprehensive Exams Committee Member

Kiersten Strombotne (2015 – 2016)	Current Position: Assistant Professor, New Mexico State University PhD Student, Yale University: Dissertation Outside Reader
Julie Siwicki (2016 – 2017)	Current Position: Economic Researcher, American Institutes for Research MPA Student, NYU Wagner: Thesis Second Reader

### Postdoctoral students supervised and/or mentored

Juan Echenique (2022-present)	Postdoctoral Fellow
Glen Taksler (2011 – 2013)	Postdoctoral Fellow, Co-Advisor Current position: Assistant Professor, Cleveland Clinic
Kosuke Tamura (2015 – 2017)	Postdoctoral Fellow; Primary Advisor Current position: Postdoctoral Fellow, NHLBI NIH

### Faculty mentored

01/2022-present | Angela Trude, PhD | Nutrition and Food Studies | Assistant Professor of Nutrition | NYU|Steinhardt  
 07/2021-present | Omni Cassidy, PhD | Population Health | Assistant Professor | NYU Langone Health  
 01/2017- present | Alison Bateman-House, MPH, PhD | Population Health | Assistant Professor | NYU Langone Health  
 01/2017- present | Erin Rogers, DrPH, MPH | Population Health | Assistant Professor | NYU Langone Health  
 01/2016- present | David Lee, PhD | Population Health | Assistant Professor | NYU School of Medicine | NIH K-23 Mentor  
 09/2016- present | Pasquale Rummo, PhD | Population Health | Assistant Professor | NYU Langone Health  
 01/2016- present | Spring Dawson-McClure, PhD | Population Health | Assistant Professor | NYU Langone Health  
 01/2016- present | Alexandra Ursache, PhD | Population Health | Assistant Professor | NYU Langone Health | NIH K-23 Mentor  
 01/2016- present | Cassandra Thiel, PhD | Population Health | Assistant Professor | NYU Langone Health  
 01/2014- present | Marie Bragg, PhD | Population Health | Assistant Professor | NYU Langone Health  
 06/2013- present | Dustin T. Duncan, ScD Population Health Associate Professor NYU Langone Health

### Institutional, Local/National Service and Related Activity

#### **Institutional Service**

07/2017-present | Assistant Dean for Strategic Initiatives | Office of Science and Research | NYU Langone Health  
 07/2016-present | Director, Comprehensive Program on Obesity | NYU Langone Health  
 07/2012-present | Director, Section on Health Choice, Policy and Evaluation | Department of Population Health | NYU Grossman School of Medicine

#### **Professional Service**

##### Major Committee Assignments

##### International, National and Regional

2008 – 2009	Health Economics Interest Group Advisory Committee, AcademyHealth
2008 – 2011	Member, Robert Wood Johnson Foundation Menu Labeling Research Working Group;
2009 – 2011	Chair, Robert Wood Johnson Foundation, Menu Labeling Research Working Group
2009	Policy Brief Reviewer for “Menu Labeling: Does Providing Nutrition Information at the Point of Purchase Affect Consumer Behavior?”, Robert Wood Johnson Foundation Healthy Eating Research
2009, 2011	Grant Reviewer, Robert Wood Johnson Foundation Healthy Eating Research
2009	Conference Planning Committee, Robert Wood Johnson Foundation Healthy Eating Research
2009	Briefing on Menu Labeling, Congressional Budget Office Staffers
2009 – 2010	Reviewer for National Meeting Abstract Submissions, Consumer Engagement, Choice and Decision Making Theme, AcademyHealth Annual Meeting
2010, 2012	Faculty Member, National Hispanic Medical Foundation Leadership Program
2010	Consultant: Examination of Front-of-Package Nutrition Systems and Symbols, Phase I, Institute of Medicine

2010 – 2011	Committee Member: Examination of Front-of-Package Nutrition Systems and Symbols, Phase II, Institute of Medicine
2010 – 2012	Grant Reviewer, National Science Foundation
2010 – 2015	Advisory Committee, New York State Obesity Policy Center and Coalition, Designing a Strong and Healthy New York, New York Academy of Medicine
2011	Grant Reviewer, Institut National du Cancer (National Cancer Institute, France)
2012	Grant Reviewer, De Nederlandse Organisatie voor Wetenschappelijk Onderzoek (NWO; Netherlands Organization for Scientific Research)
2012	Chair, Consumer Engagement, Choice and Decision Making Theme, AcademyHealth Annual Meeting
2012	Advisor, Canadian Taskforce on Provision of Nutrition Labeling in Restaurants and Foodservices
2012	Member, NIH/NIMHD-funded Consensus Panel on Away-from-Home Food
2012	Panelist and Presenter, CDC Expert Panel on Drinking Water Access in Schools and Childcare
2012	Panelist, CDC Expert Panel on Obesity Prevention
2013	Dissertation Award Selection Committee, NASPAA (Schools of Public Policy, Affairs and Administration)
2013 – Present	Reviewer, NIH Rapid Responses PAR-12-157, which reviews grants on a monthly basis
2013 – 2014	Ad Hoc Reviewer, Community Influence on Health Behavior Study Section, NIH
2014 – Present	Standing Member, Community Influence on Health Behavior Study Section, NIH
2015 – Present	Expert Panel: Recommendations for Minimum Stocking Standards and Marketing Strategies for Retail Food Stores, Robert Wood Johnson Foundation Healthy Eating Research
2016	Food and Drug Administration Expert Panel on Consumer Behavior and Health Information
2017	Planning Committee, Workshop on Strategies to Limit Sugar-Sweetened Beverage Consumption in Young Children; National Academies of Science, Engineering and Medicine (formerly known as Institute of Medicine)

### Peer Review Groups, Grant Application Review Groups, and Study Sections

01/2014-06/2018	Permanent member	NIH, Community Influence on Health Behavior Study Section
01/2013-present	Ad-hoc member, Occasional Chair	NIH, Obesity Policy Rapid Responses PAR-12-157 NIH

### Advisory Boards and Consultant Positions

2017	Planning Committee, Workshop on Strategies to Limit Sugar-Sweetened Beverage Consumption in Young Children; National Academies of Science, Engineering and Medicine (formerly known as Institute of Medicine)
2010 – 2011	Committee Member: Examination of Front-of-Package Nutrition Systems and Symbols, Phase II, Institute of Medicine

### Editorial and Journal Positions (List all editorial board review positions and all ad-hoc review positions)

#### Ad Hoc Reviewer

Health Affairs  
Journal of the American Medical Association  
New England Journal of Medicine  
American Journal of Preventive Medicine (Top Reviewer Award, 2014)  
American Economic Review  
Journal of Health Economics  
Public Health Nutrition  
American Journal of Public Health  
Behavioral Medicine

Appetite  
Medical Care Research and Review  
Social Science & Medicine  
International Journal of Epidemiology  
Journal of Policy Analysis and Management  
Health Services Research  
Journal of Health Politics, Policy and Law  
Obesity  
Health Psychology  
Medical Decision Making  
American Journal of Agricultural Economics
