EDUCATION

Ph.D., International Development, Department of Urban and Regional Studies and Planning, Massachusetts Institute of Technology (1988).
Concentration in public finance, urban & regional economics, and international development.

M.A., Economics, Rutgers University (1980).
Concentration in public finance and quantitative methods.

B.A., Economics, Georgetown University (1977).

UNIVERSITY EXPERIENCE

New York University, Robert F. Wagner School of Public Service

International Development, Public Finance and Urban Planning Faculties

Professor, since 2006; Associate Professor, 2000-2006; Director of International Programs, 2002-2021; Director of Doctoral Studies, 2008-2010; Director of the Global Executive Program in Public Policy and Management (joint with University College London), since 2013.

Graduate courses taught: public finance in developing countries; decentralized development planning in developing countries; financing local governments in developing countries; institutions, governance and international development; governance and public sector reform; development assistance, accountability and aid effectiveness; global public policy analysis; advanced projects in international finance, planning and policy.

Center on International Cooperation, Fellow, 2004--2010.

Institute of Public Administration, International Public Finance & Fiscal Reform Program

Senior Associate and Program Coordinator, 1998-2004.

Massachusetts Institute of Technology, Department of Urban Studies and Planning, International Development Program

Chair, Master of City Planning Program, 1998-2000; Associate Professor, 1995-2001; Assistant Professor, 1989 to 1995.

Graduate courses taught: public sector economics, public finance in developing countries, project analysis and planning; decentralization in developing countries; local approaches to economic development; urban development research seminar; thesis research seminar.

Harvard University, Harvard Institute for International Development

Program Associate, 1986-89; Institute Associate, 1990-2000

Visiting Scholar (sabbatical), Harvard Institute for International Development, 1994-95

Lecturer in Program on Public Enterprise Reform, 1995-96.

Lecturer in Program on Fiscal Decentralization, 1996-2000.

Tufts University, Department of Economics

Lecturer (part-time), 1983-1986.

Courses taught: public finance, intermediate micro & macroeconomics, and urban economics.

Massachusetts Institute of Technology, Department of Urban Studies and Planning

Instructor (part-time), 1981-1984.

Graduate courses co-taught: regional economic theory, accounts and techniques; applications of regional economic theory.

Rutgers University, Department of Economics (Livingston College and University College)

Instructor (part-time), 1978-1980.

Courses taught: introductory micro & macroeconomics, state & local public finance, and urban & regional economics.

AWARDS, FELLOWSHIPS, AND RESEARCH FUNDING

Bill and Melinda Gates Foundation funding for work on improving donor architecture for public finance reform and service delivery, Principal Investigator 2017-21.

World Bank funding to conduct an assessment of subnational governance and finance in South Asia, 2014-15.

World Bank-Netherlands Partnership Program funding to study the relevance of the political economy of decentralization for development partners, 2007-2011

World Bank Development Economics Committee funding to develop a proposal for a study on comparative decentralization, 2003-2005.

United Nations Capital Development Fund funding to lead a synthetic analysis of decentralization and local governance in Africa, 2001-2003

World Bank funding for research to support the development of City Development Strategies in East Asian metropolitan areas, 1999-2001. (NYU—Institute of Public Administration)

Asian Development Bank Research Department Funding for comparative research on intergovernmental transfers in Asia, 1999-2002 (NYU—Institute of Public Administration)

Humanities, Arts & Social Science Council Award for comparative research on public sector decentralization, 1997-99. (MIT)

United Nations Development Program funding for comparative research on decentralization and good local governance in developing countries, 1997-2000. (MIT)

Humanities, Arts & Social Science Council Award for research on local government in Asia, 1994-95. (MIT)

Ford Foundation Career Development Chair in International Development Studies, Massachusetts Institute of Technology, 1990-1993.

Humanities, Arts & Social Science Council Award for research on local government in Africa, 1991-92 (MIT).

Goodwin Award (for excellence in teaching), Massachusetts Institute of Technology.

Lincoln Institute of Land Policy Fellowship for graduate research at MIT.

Graduate Studies Fellowship, Department of Economics, Rutgers University

Magna Cum Laude, Georgetown University.

Phi Beta Kappa, Georgetown University.

George F. Baker Trust Fellowship, Georgetown University.

"The Pattern of Differential Impacts of Proposition 2 1/2," with Jerome Rothenberg, in L. Susskind, ed., *Proposition 2 1/2: Its Impacts on Massachusetts* (Cambridge, MA: Oelgeschlager, Gunn & Haines, 1984).

State Tax Reform: Evaluating the Issues. With Andrew Reschovsky, et. al. (Cambridge, MA: Joint Center for Urban Studies of MIT and Harvard University, 1983).

"Early Impacts of Proposition 2 1/2 on the Massachusetts State-Local Public Sector," With Jerome Rothenberg, *Public Budgeting and Finance*, Winter 1982.

POLICY ADVISING AND CONSULTING (Part-time, often over multiple-year periods)

Incorporating Climate Change in Decentralization Reform (World Bank Governance Practice). Working with a team examining how the governance practice at the World Bank can work more closely with the climate change practice in developing WBG programming, since June 2020).

Post-Pandemic Fiscal Decentralization Reform (Inter-American Development Bank). Leading a team examining issues in and prospects for fiscal decentralization reform in the post-pandemic period (since May 2020).

Strengthening Subnational Government Evaluation (World Bank Independent Evaluation Group). Supporting evaluation of World Bank programs to develop subnational government capacity (since August 2018).

Subnational Development Finance (UN Capital Development Fund, UN-Habitat and United Cities and Local Governments). Working on supporting the Inter-Agency Task Force on Financing for Development in the area of subnational development finance (since August 2017).

Supporting Devolution in Kenya (USAID and DFID through Local Development International) support to Government of Kenya and the Commission on Revenue Allocation in supporting devolution in Kenya (2016-2020).

Decentralization and Local Governance Support (European Commission). Working on a series of policy notes, analytical tools, and conferences (2013-2018).

Decentralization, Governance and Fiscal Federalism in South Asia (World Bank). Lead external adviser on urban governance and finance with a team conducting a review of urbanization in the South Asia region (December 2013-December 2015).

Science of Service Delivery Case Study Review (World Bank). Worked with a team developing case studies of service delivery for the new Science of Service Delivery initiative (June-December 2013).

Decentralization and Development Outcomes (UK Department for International Development, Research and Evidence Division). Led a team preparing a critical literature review on the role of decentralization/devolution in improving development outcomes at the local level (May-December 2013).

South Sudan Governance Review (World Bank). Advising the National Commission on Constitutional Reform and the Ministry of Finance and Economic Planning on structuring and managing the intergovernmental fiscal system (May 2013-June 2014).

Political Economy of Decentralization in Uganda (World Bank). Conducted an analysis of the political economy of further decentralization reforms (June-November 2012).

Strategic Local Governance and Local Development Framework (United Nations Development Program). Provided support for the development of a UNDP strategic framework for integrated support to local governance and local development (October 2011-March 2013).

Kenyan Devolution Support (World Bank). Providing advice to various Kenyan government agencies on the implementation of the devolution mandated by the 2010 constitution (September 2010-July 2011).

India 13th Finance Commission Report. (World Bank) Prepared a review of the fiscal decentralization provisions of the Report of the 13th Finance Commission (October 2010-June 2011).

Cambodia Decentralization Support (UNCDF through Local Development International). Providing support on the development of a concept note for new support to the ongoing decentralization (2010).

Development Partner Working Group on Decentralization and Local Governance (through World Bank, USAID and UCDF). Support on preparing a set of materials and cases on making development partner support for decentralization more effective (January 2010-January 2013).

Egypt Decentralization Initiative (USAID). Providing advice to the Ministry of Finance and the Ministry of Local Development on fiscal decentralization (January 2010-January 2014).

Cambodian National Program to Support Democratic Development (British Department for International Development and EuropeAID). Member of a team reviewing the Government of Cambodia's ten-year national decentralization program (July-September 2009).

Spatial Public Expenditure Reviews (World Bank, Sustainable Development Network). Lead external advisor on developing Public Expenditure Reviews that take spatial concerns into consideration (March-June 2009).

Global Forum on Local Development through Local Governments (UN Capital Development Fund). External advisor on developing and executing a series of events on the role of local governments in promoting local development in developing countries (December 2008-October 2010).

Global Observatory on Decentralization and Local Democracy (GOLD) Global Report on Local Government Finances (United Cities and Local Governments). Co-lead technical advisor on a report comparing and assessing the state of local government finances around the world (September 2008-January 2011).

Australian Local Government Support Projects in Indonesia (Australian Aid Agency—AusAID). External peer reviewer for local government support projects in Eastern Indonesia (2007-2008).

Decentralization in Context to Improve Service Delivery (World Bank Poverty Reduction and Economic Management). Work on country cases/synthesis on the political economy of the design and implementation of decentralization worldwide (2007-2010).

Democratic Decentralization and Local Governance Handbook (USAID through Associates in Rural Development). Worked with a team on the development/review of a revised version of the USAID DDLG Handbook (December 2006-July 2007).

Indonesia Decentralization Support Facility (World Bank, DFID and multiple other donors). Evaluation of conceptual framework and work programs (2006-2009).

Cambodia Decentralization Support Project (UNDP, UN Capital Development Fund and various European bilateral donors). Periodic advisor (2000-2007) to Ministry of Economy and Finance on fiscal decentralization and the Ministry of Interior in developing intergovernmental administrative systems.

Yemen Decentralization Project (United Nations Capital Development Fund). Technical advisor (2005-2006) to the Ministry of Local Administration on the development of a national decentralization program.

East Asia Decentralization Flagship (*East Asia Decentralizes: Making Local Government Work*). External Advisor (2003-2005) for a World Bank stocktaking of decentralization in East Asia. Joint author of synthetic chapter, sole author of a comparative review of decentralization frameworks and strategies; reviewer of all other chapters.

Cambodia Public Expenditure Review and Decentralization Operational Support (World Bank). Prepared background paper on decentralization for the 2003 PER and analytical work for PREM in 2004 on possible Bank support for decentralization.

Uganda Local Government Finance Commission. Advisor (2001-2006) to periodically review technical papers and to develop a capacity building program for Commission staff members.

Decentralization and Local Governance in Africa (UN Capital Development Fund and Ford Foundation); Lead external advisor (2001-2003) on a series of consultations and state-of-the-art papers on decentralization in Africa; this culminated in a workshop attended by representatives of more than 20 African countries and a special issue of *Public Administration and Development*.

Indonesia Local Government Finance Project (USAID). Periodic consultant (2000 to 2002) to the Indonesian Ministry of Finance to assist the government with specific tasks related to local government borrowing and revenue generation policy.

South Africa Local Government Finance Reform Project (USAID). Research Director (2000 to 2003) leading a group of international and local researchers in an extensive, empirically grounded examination for the Department of Provincial and Local Government of options for furthering municipal and intergovernmental fiscal reform.

Indonesia Local Government Reform Program (World Bank). Periodic consultant (2000 to 2004) on design of a World Bank program to support local government reform and on various technical assistance activities related to local government finance.

Intergovernmental Fiscal Transfers in Asia (*Intergovernmental Fiscal Transfers in Asia: Current Practice and Challenges for the Future*), Lead external advisor (2000-2002) and volume co-editor for an Asian Development Bank series of studies on intergovernmental fiscal transfers in selected Asian countries, including Cambodia, India, Indonesia, Pakistan and the Philippines.

Ethiopia Public Expenditure Review on Decentralization (World Bank). Consultant (1999-2000) on a public expenditure review specifically focused on decentralization to regional and municipal governments.

Eritrea Municipal Management Program (UN Office of Project Services). Consultant (1998-1999) on review of municipal finances and management.

Uganda Local Government Development Program (World Bank). Periodic consultant (1996-2001) on the design and implementation of an innovative local government development program that broadly supported national and subnational capacity building and subnational institutional reform and infrastructure development.

Vietnam Local Development Program (UN Capital Development Fund). Periodic consultant (1997-1999) on the developing and implementing of a program to pilot decentralization innovations in Danang province.

East Indonesia Decentralization Development Program (UNDP). Periodic advisor (1997 to 2000) on the development of UNDP's decentralization support in Indonesia, focusing on local government services, finances and community participation in selected provinces.

Egyptian Local Administration Reform (USAID). Consultant (1997-1998) to the Ministry of Local Administration on the development of local administrative capacity.

Cambodia Local Development Fund (UN Capital Development Fund). Periodic consultant (1996-2000) on the development and implementation of a program to pilot and support local level development planning, budgeting, and service delivery.

Kenya Local Government Reform Program (World Bank). Periodic consultant (1996-2000) on the design and implementation of a local government reform support program.

India Decentralization (World Bank). Consultant (1996 to 1998) to review work on urban development and options for implementing the 74th Amendment to the Constitution, with particular emphasis on intergovernmental fiscal relations and infrastructure delivery mechanisms.

Ethiopia Financial Management Project (USAID). Consultant (1996 to 1997) on the design of this project with specific reference to options for fiscal decentralization.

Palestine Local Rural Development Program (UN Capital Development Fund). Periodic consultant (1995-1998) on the development and implementation of a program to support municipal planning, infrastructure development and finance in West Bank municipalities.

Brazil Decentralization and Good Governance. Periodic advisor (1995 to 1999) on an MIT project with the State Governments of Ceará and Maranhao on decentralization and good performance in the local government sector.

Kenya Small Towns Development Project (GTZ). Periodic consultant (1990 to 1995) to the Ministry of Local Government on local government institutional and financial reform policy.

Indonesia Urban and Regional Development Policy Project. Periodic Advisor (often for months at a time in the period 1990 to 1994) to the Ministry of Finance through the Harvard Institute for International Development on decentralization and local government reform.

Kenya District Development Project (USAID through the Harvard Institute for International Development). Regional Planning Advisor (Resident 1987 to 1990) in the Ministry of Planning and National Development working on policy for district planning and local government reform.

Kenya Local Government Reform (USAID). Consultant (1985 to 1987) with the Ministry of Local Government on intergovernmental fiscal issues.

SELECTED WORKING PAPERS, REPORTS AND POLICY NOTES/VIDEOS

“An Intergovernmental Perspective on Managing Public Finance for Service Delivery: Assessing Neglected Issues in the Health Sector and Beyond.” Working paper prepared for the NYU Wagner Project on Reforming the Aid Architecture for Public Finance Reform, March 2021.

“Administrative Decentralization and Climate Change,” draft paper prepared with Mitchell Cook for the World Bank, January 2021.

“Post-Pandemic Fiscal Decentralization Reform: Lessons and Opportunities for Latin America.” Draft paper prepared for the Inter-American Development Bank, December 2020.

“The Role of Special Financial Intermediaries in Subnational Development Finance” draft paper prepared for the UN Capital Development Fund, October 2020.

"Advice, Money Results: Rethinking International Support for Managing Public Finance." Team working paper prepared for the NYU Wagner Project on Reforming the Aid Architecture for Public Finance Reform, June 2020.

“Towards a Pragmatic Framework for Improving Subnational Government Access to Development Finance,” *ADBI Working Paper* 921 Asian Development Bank Institute, Tokyo, January 2018.
